Seven Ways Environmental Services Ltd

Issue: 1.0 | Date: 01-Aug-2025 | Review Due: 01-Aug-2026

Environmental Policy

Seven Ways Environmental Services Ltd ("Seven Ways") provides waste-broker services. We are committed to protecting the environment and enhancing environmental performance appropriate to our activities and context.

We commit to:

- Protect the environment, including prevention of pollution and efficient use of resources.
- Address climate change (mitigation and adaptation) and support the protection of biodiversity and ecosystems.
- Fulfil applicable compliance obligations relevant to our services in Wales (including workplace recycling) and to our broker role (duty of care, licensing).
- Continuously improve our Environmental Management System (EMS) and environmental performance.
- Consider a lifecycle perspective when planning and brokering services (selection and evaluation of suppliers/contractors, routing, materials).
- Set, review and communicate environmental objectives and monitor progress.

How we implement this policy:

- Maintain an ISO 14001 EMS with procedures, registers and controls suited to a waste broker office environment and our landlord-controlled premises.
- Communicate this policy to workers and make it available to interested parties (e.g., website/noticeboard).
- Review this policy at least annually as part of management review.
